Jason Versa Handle

The design **versatility** is where the Jason Versa Handle gets its namesake. Considerable research, development and testing has gone into the handle creation to provide:

- Flexible combinations
- Timeless sleek design
- Snib lock and latch activation is operational in a single action
- **Versa D** provides a solid firm grip when operating the handle
- **Versa Slim** large finger grab area for ease of use

Colour Options

- Silver - default
- Black

Keying

Can be keyed alike to other Jason Doors in the home

Warranty

2 years replacement

Showroom Samples

Showroom samples are to be pre-ordered via this link: <https://jasonwindows.com.au/versa-handle-samples/>

Prior to your showroom sample arriving, flyers will be available for your clients to view at pre-start.

The handle configurations will be on display in the below Jason Windows showrooms from early May:

- Welshpool
- Bunbury
